

ALICE'S KIDS

DONATE TODAY

JUNE 2022

"I am a Social Worker who serves intellectually disabled students ages 18 to 22. One of our teachers noted that one of them had not shown up for over a week. Mom shared that her son was gaining weight and his clothes were tight. Clothes had become the barrier and we wanted our student to return to his work and his friends.

Finding new size 4X clothes was no easy task but then we heard about Alice's Kids!! I sent a request and immediately received an email informing me of your VERY GENEROUS gift to our student. I literally jumped with glee (I'm 66 years old so that's no easy feat!). I ran to the teacher. I ran to the Principal.

Here's the best part. Our student returned to school. Not only has he been attending school but he is wearing new clothes. His posture is a little taller. His smile is a little brighter. And he appears proud. New, comfortable clothes are an essential part of being an outstanding employee. This young man is rocking it!"

ALICE'S KIDS

Alice's Kids is a 501(c)3 non-profit organization that seeks to enhance the self-esteem of children in need by providing them with targeted individual assistance to facilitate their participation in scholastic, recreational and social activities.
