

SEPTEMBER 2022

WE BREAK OUR SPENDING RECORD

In 2021, Alice's Kids spent \$527,000 on children across the country. This year, we have already spent \$529,000!! This would not be possible without your generous support.

LONG-TIME BOARD MEMBER STEPPING DOWN

Board member Bill Perry has announced that the September 24 Board of Directors meeting will be his last. Bill has served us for many years and, as a Navy Chaplain, he has served as our unofficial Spiritual Advisor. Although he will no longer be on our Board, we've already warned him that we'll be keeping him busy in his "retirement."

REQUESTS INCREASE

As schools start to open, we have been inundated with requests for new school clothes and/or uniforms. Indeed, in August we spent a record \$129,000, mostly on clothes!

"Mahnaz & her two sisters fled Afghanistan last year. Their parents remain in that country and the girls understandably fear for their safety. Mahnaz would love a tablet so she can maintain contact with her parents."

IN ADDITION TO PAYING FOR OUR "USUAL" ITEMS, IN AUGUST WE PAID FOR:

\$100 towards the materials for a 16-year-old young man to build a community bookcase.

Lumber and building supplies for a 10-year-old to build a skate ramp. This young man was removed from his parents' care at age 10 due to abuse and he is currently living with a caring foster family.

Hearing aids for a 17-year-old young man who suffered hearing loss at 8 years old. He recently revealed the loss to a relative who had taken him in. He hid the loss for years, suffering in school, in fear of being sent away.
