DONATE TODAY

## PLEASE CONSIDER DONATING TO ALICE'S KIDS

From the beginning, we pledged that we would ask for donations only ONCE per year. Our thought was that people are tired of donating then getting a tsunami of additional requests for funds. At the risk of becoming a perpetual fundraising machine, we decided to ask for donations once a year - and this is that ask!

As previously reported, our Board of Directors is projecting that we will spend approximately \$1 MILLION next year on kids across the country. It's an exciting prospect but, of course, we need to raise the funds. Meanwhile, we continue to keep our overhead rather low. I am the only full-time employee (we have 3 part timers) and we do not have a physical office. So, your donation is basically being used to help a kid.

If you would like to donate, please click the "DONATE TODAY" button above, follow [this link](#), or you can write a check and send it to AK, PO Box 60, Mount Vernon, VA 22121. We also have a "Donate" button at the top of our [website](#).

We thank you and the kids thank you!
