

DECEMBER 2023

ANNUAL APPEAL UPDATE

Our only appeal of the year is going at a moderate pace. Indeed, conversations with other charities indicate donations are down across the board. Remember that our budget for 2024 calls for us to spend approximately \$1.2 million (about \$300,000 more than this year), so if you haven't donated yet, we hope you will do so! Just go to www.aliceskids.org/donate. Thank you!

FINANCIAL UPDATE

Through the end of November, we have spent \$799,503 on children across the country! This easily eclipses last year's spending. And that is approximately 9100 kids who have gotten our special attention.

FITZSIMMONS KEYNOTES CIS CONFERENCE

On November 29, our ED, Ron Fitzsimmons was a Keynote Speaker at the Communities in Schools of West Virginia annual conference. It was a great opportunity to educate a few hundred attendees about our services. It goes without saying that there are many children in need in that state, so hopefully we will be able to help even more kids!

CHILD OF THE MONTH

"Mom & Dad are both in jail for drug use. Grandma is now taking care of their 4 kids and doesn't have a car. So, the kids want to do video visits of their parents but each session costs \$25 and Grandma or the parents can't afford the fee. Would Alice help these kids see their parents?" We paid for 4 sessions.

ALICE'S KIDS

Alice's Kids is a 501(c)3 non-profit organization that seeks to enhance the self-esteem of children in need by providing them with targeted individual assistance to facilitate their participation in scholastic, recreational and social activities.
