

JANUARY 2024

## END OF THE YEAR FINANCIAL UPDATE

### Amount Spent on Children

In 2023, we raised a record \$1.4 million! Putting that in perspective, in 2018 we raised \$133,000. On the spending side, we spent a record \$846,000 on children across the country. We are now poised to spend at least \$1 million in 2023.

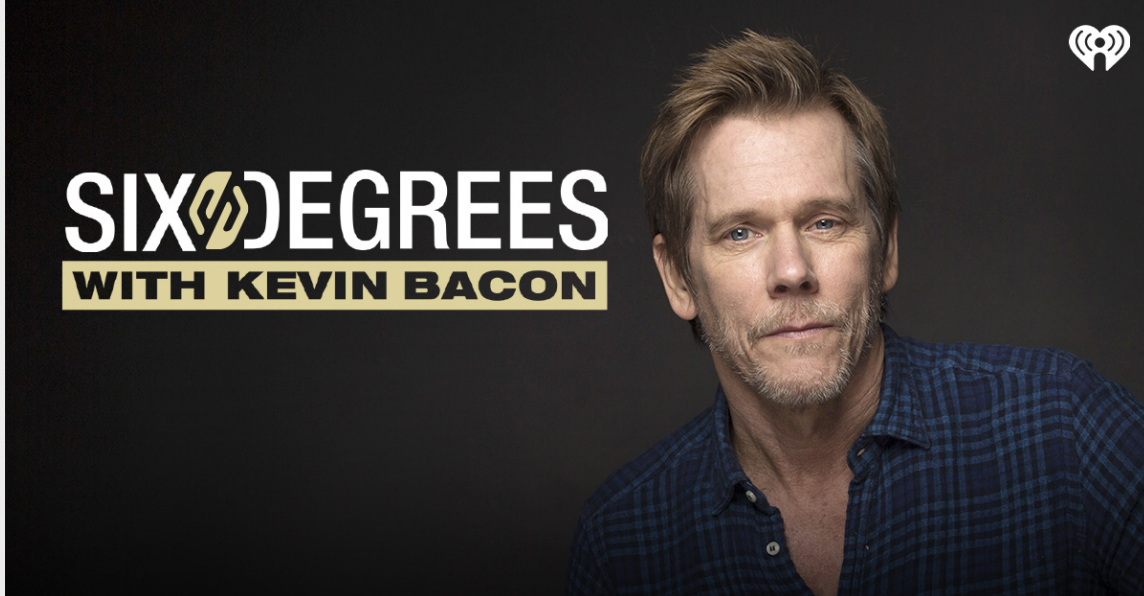

This mind-boggling growth is because of you, our donors. We get a lot of credit but the fact is that, while we get the money out to the teachers and social workers, we couldn't do it but for your generosity. We wish you a truly Happy New Year and thank you once again for supporting our work and helping thousands of children.
