OUR ELEVATOR PITCH

Imagine you're in an elevator one day. Someone walks on and they say "Hey, I'm gonna donate \$10,000 to a charity today. Got any suggestions?"

You say "Yes, Alice's Kids!" and they say "What do they do?"

Alice's Kids is a national charity that provides financial assistance to children so they can participate in recreational, scholastic, and social activities that are often taken for granted by their more fortunate peers. And the assistance is provided through teachers and social workers so the parent and child are not shamed.
